"Where Learning Continues..."

First Aid Classes 2010-2011

Committed to the Success of all Students

CPR

Instructor: American Safety Academy

This class will teach you how to recognize and respond to life threatening emergencies. You will learn CPR for all age groups (infant, child & adult) and, in addition, how to use an AED (automated external defibrillation). We will also cover how to respond to airway obstruction (choking). This is a two year American Health & Safety Institute certification.

Cards will be issued approx. 1 week after completion of class.

Course	Date	Day	Time	Rm	Fee
090101	12/1/10	W	6-9:00 pm	VHS Library	\$60.00
090102	4/20/11	W	6-9:00 pm	VHS Library	\$60.00

BASIC FIRST AID

Instructor: American Safety Academy

Learn how to recognize signs and symptoms of sudden cardiac arrest, injuries and sudden illnesses. You will also learn how to respond to choking, bleeding, minor and major wounds, burns, allergic reactions, seizures and more! This is a two year American Safety & Health Institute certification.

Course	Date	Day	Time	Rm	Fee
