School Site Council (SSC) Election 2011-2012

We have two positions open for election. You are eligible to vote if you are a parent of a student who currently attends Dublin High School or who will attend beginning in August, 2010.

Place a check by the names of the **two** candidates you wish to vote for:

[] **Alcina Wegrzynowski** 9th grade parent

"My name is Alcina and I am very interested in joining DHS SSC. I feel very fortunate to have my daughter attend Dublin High in the fall as a 9th grader. I have been a long-time supporter of DHS (without having any children at the High School) because this school is a tremendous asset to our community and deserves our time and investment. I was part of the DHS Gael Pride committee and have attended several community events at our beautiful campus. I have served on Dougherty School PFC for 3 years, and I have also served on the SSC at both Dougherty and Fallon Schools. I believe it is important for parents to be involved in our schools to provide support and guidance for the well-being of all students."

[] **Kathy de Jong** 9th & 11th grade parent

"I am a parent of three children who have attended school within the DUSD since kindergarten and am passionate about enriching the educational experiences for all students. I have served on the Dublin Partners In Education (DPIE) board for over 10 years and also on the Student Site Council at Wells Middle School for several years. In addition, I have volunteered as Barton Program Manager since 2006 where I spearheaded fundraising and volunteer tutor recruitment in order to help struggling readers get up to grade level. I look forward to continuing to serve the community in a new capacity at Dublin High School."

[] **Vani Kakarla** 9th grade parent

"We are proud Dublin residents for the past 7 years, who love the Dublin community and schools. I have been a SSC member at Fallon School from 2009 - 2011. I have volunteered at both Dougherty and Fallon schools, helping teachers, chaperoning field trips, and being involved in both the yearbook and science fair. I volunteer teaching Yoga at our local Hindu Temple and have enjoyed participating in the Dublin Pride week over the years. My daughter will be starting 9th grade at DHS in August, and I am interested in participating at her new school."
