

# Kolb Elementary School Site Council Nomination Form 2011-2012

## **What is the School Site Council?**

The school site council is a group of teachers, parents and school staff that works with the principal to develop, review and evaluate school improvement programs and school budgets. The members of the site council are generally elected by their peers. For example, parents elect the parent representatives and teachers elect teachers.

## **What the school site council does?**

Site councils generally either make decisions or advise the principal and staff on the state allocated school improvement funds and the school's improvement plan.

## **How can parents help with school improvement?**

The best way to help your child with improving academic performance is to be involved. The Kolb Elementary School Site Council meets at 3:15 pm on the second Thursday of the month in the library and is open to all parents or community members.

**We are seeking nominations for positions on the site council for the 2011-12 school year.
